Objective:

An **AI & Data Science** student and **NCC Cadet** with a passion for building AI solutions and **aeromodels**. I combine technical skills in **Python, ML tools, and Data Analysis** with the **leadership** and **discipline** gained through cadet training. A **patient** and **detail-oriented** problem-solver, I have experience leading community projects and organizing events, always striving to use technology for positive impact..

Education:

B.Tech Artificial Intelligence and Data Science 2023-2027
Kumaraguru College of Technology - CGPA 8.06
SSLC and HSC – 2021 & 2023
Saradha Vidhyalaya Matric Higher Secondary School – 94%

Awards and honors:

- Mahatma Ganthi Merit Scholar – 2025
- National level Drill competition - Silver
- State level RC Aero model Building and Flying - Gold

Soft Skills:

- Interpersonal – (Leadership, Teamwork, Effective Communication)
- Operational – (Adaptability, Multitasking, Attention to detail)
- Personal Attributes – (Patience)

Techinical Skills:

- Programming Languages – (Python, SQL)
- Data Analysis – (Excel, Weka PowerBI)
- Version Control – (Git)
- Web development – (HTML/CSS)
- MS Office Suite
- AI/Ml tools – (Pytorch, Scikit-learn, TensorFlow)

Project

My Fleet – EV Fleet Management system

Developed as a V2G-integrated platform to optimize EV fleets as virtual power plants for grid stabilization and cost-efficient energy management.

Farmlytics – A smart solution for farmers

Built as an ML-driven decision system that analyzes soil N-P-K and climate data to provide precise crop recommendations and yield insights.

Certification:

- IoT – Wireless & Cloud Computing Emerging Technologies
  Yonsei University *Sep 2025*
- Basic and Advanced Deep learning for Computer vision
  MathWorks *Aug 2025*
- State estimation and localization for Self-Driving Cars
  University of Toronto *Aug 2025*
- Overview of Business Analytics using WEKA
  Infosys Springboard *Apr 2025*
- Driving business towards the Sustainable Development Goals
  Erasmus University Rotterdam *Jun 2024*

Experience:

National Cadet Corps – Cadet Under Officer (CUO)

5 TN Air Sqn(Tech) NCC, Salem *Sep 2023 – Feb 2026*

- Led a squad of 30 cadets during camps.
- Organized community service drives, including tree planting and awareness campaigns.
- Excelled in physical training and drill, representing the unit in national competitions.

Personal Interest

- Volunteering & Community involvement
- Traveling
- Fitness
- Event Organizing
